

AURUMVAULT

CREATE. SELL. KEEP YOURS.

AurumVault Creator Starter Kit

Your Step-by-Step Guide to Earning 85%

A premium quick-start guide for creators who want to package digital products clearly, present them professionally, and start selling through AurumVault.

Keep 85% of Every Sale

Paid every Friday • Your brand • Your pricing

Inside this starter kit, you'll learn what to sell, how to price it, what your listing needs, and how to start strong with a polished first product.

WHAT YOU CAN SELL

eBooks, prompt packs, journals, planners, templates, and more.

HOW TO START

Apply, upload your product, and begin earning through your creator account.

WHAT TO EXPECT

Simple pricing guidance, product requirements, support resources, and launch tips.

Designed to visually match AurumVault's navy-and-gold premium storefront style.

SECTION 1

Why AurumVault?

- **Keep 85% of every sale**

AurumVault is built to let creators retain the majority of each sale, with no hidden platform fees layered into the promise.

- **Paid every Friday**

Weekly payout timing keeps the earning model simple and easy to understand for creators who want a consistent payout rhythm.

- **You control your brand and pricing**

Create under your own voice, choose your positioning, and price your work according to its value and your niche.

- **Instant global reach**

Digital products can be discovered and purchased online without shipping barriers, making your work accessible to customers wherever they are.

SECTION 2

What Can You Sell?

- **eBooks**

Guides, mini handbooks, educational resources, devotionals, and niche-specific written products.

- **AI Prompt Packs**

Prompt systems for business, writing, productivity, marketing, design, or specialized workflows.

- **Journals**

Reflection journals, guided journals, gratitude journals, and self-development resources.

- **Planners**

Business planners, financial planners, wedding planners, content planners, and productivity systems.

- **Digital Templates**

Caption templates, media kits, checklists, worksheets, trackers, and repeatable business tools.

- **Other digital products**

Workbooks, printables, spreadsheets, starter kits, guides, and downloadable creative resources.

SECTION 3

Getting Started in 3 Steps

- **1. Apply to Sell**

Submit your creator application through [/become-a-creator](#) so you can begin the onboarding process.

- **2. Upload Your Product**

Prepare your cover, downloadable files, title, product description, and category selection so your listing feels complete and professional.

- **3. Start Earning**

Once your product is live and sales begin, Friday payouts are sent to your account according to AurumVault's creator payout flow.

SECTION 4

Pricing Guidelines

Typical eBook

\$7.99–\$24.99

Prompt Packs

\$9.99–\$19.99

Journals / Planners

\$14.99–\$29.99

CONVERSION MATH EXAMPLE

If you sell 50 copies at \$14.99:

$50 \times \$14.99 = \749.50 gross sales

$\$749.50 \times 85\% = \637.08 creator earnings

\$637.08

Note: the result above is mathematically corrected from the provided draft outline.

SECTION 5

Product Requirements

- **High-resolution cover**

Use a professional cover with 1600 × 2560 px recommended so the product looks sharp in storefront cards and detail views.

- **Clear product description**

Explain who the product is for, what problem it solves, what is included, and how the customer will use it.

- **Accurate category selection**

Place the product in the best-fit category so buyers can discover it more easily.

- **No copyrighted material**

Only upload work you created or have the legal right to sell. Avoid unlicensed copyrighted text, designs, media, or branded content.

SECTION 6

Support & Resources

- **Creator FAQ**

aurumvault.store/support

- **Creator Agreement**

aurumvault.store/creator-agreement

- **Contact**

support@supportaurumvault.tech

SECTION 7

Success Tips

- **Invest in a professional cover**

Your cover is often the first thing a buyer notices, especially on mobile.

- **Write compelling descriptions**

A strong description builds trust, clarifies value, and increases purchase confidence.

- **Price competitively but fairly**

Use the market as a guide, but price according to usefulness, quality, and polish.

- **Promote on your own channels**

Your audience, social presence, email list, and personal network can all help create momentum.
